Chiusura

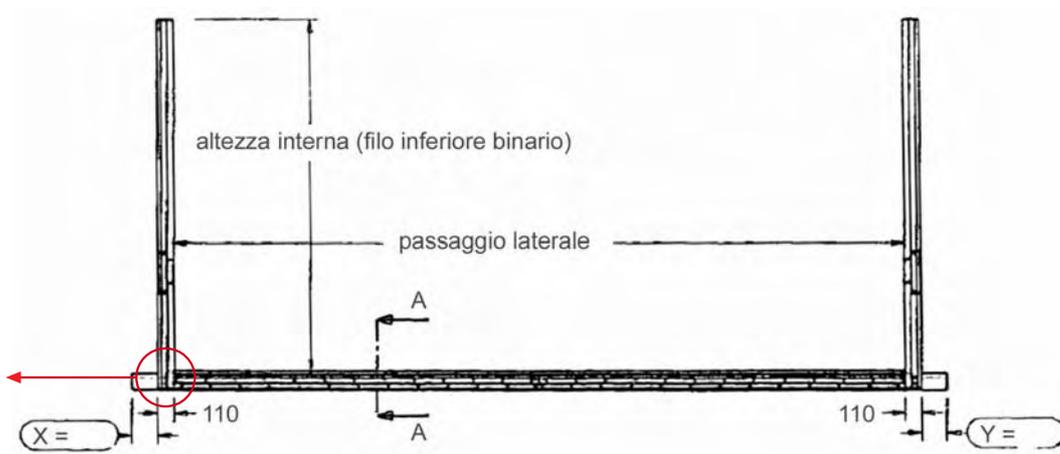

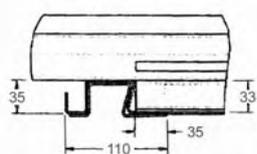

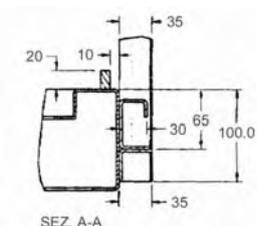

Open Box - Sistema di Apertura Laterale

ALLESTIMENTI
CON PORTATA
INFERIORE A 3,5 t

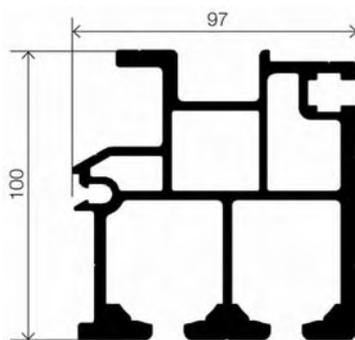

Pannelli in ALU 125 mm

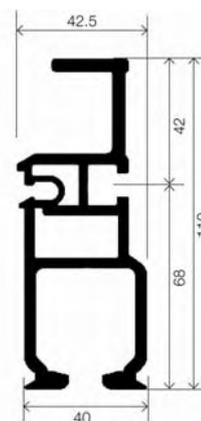

L'Open Box è un sistema rivoluzionario in quanto pur mantenendo la rigidità di un furgone, ha la flessibilità di un telo scorrevole.

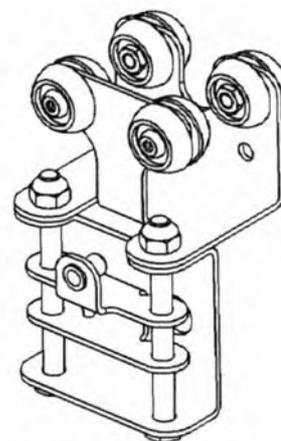

L'Open Box è certificato Dekra secondo le normative tedesche VDI 2700.
